

AUTHORS: POSITION YOURSELF FOR BEST SELLER STATUS

- Learn how many people are searching for your category of book & how many books are competing for the same key term
- Competition: Discover the number of reviews your competitors are getting and even how much money they are making from sales!
- Best Seller: Find the number of sales you would need in order to get to the number one spot in the best categories we can find for you
- Marketing: We will provide you with a list of kindle AND Google keywords and also locate some of the best categories for you to be listed under
- We will rewrite your book description on Amazon with your keywords
- We will happily set up your categories in Amazon Kindle Direct Publishing (KDP) + set up your author page!

Limited time sale! Only \$300 for all of the above

FREE with service purchase:

We will add your social media links and a link for readers to easily leave a review at the end of your eBook, with any purchased service
